What the Skylark Says

the Skylark says

By Lee Won Jin

11th Story

I was watching a Daum video one day and I saw an animation for a bicycle race. It looked like the boy who was the main character was in first place. Instead of enjoying it, he looked so tired that he could die. He was pedaling and crying. Like a lightening bolt, the character for JI Hoon came into my head. The storyline for 'What the Skylark Says' just came naturally after that. 'What the Skylark Says' is going to end at Episode 24.
